

2024 Overnighter Schedule

March 23 – 25: Colorado River Run (Havasas & Vegas)

We will kick off the overnighters of 2024 with a ride that was a big success last year. We will try to lock down the same hotels as they both were in perfect locations to venture out on foot after riding that day then unwinding by the pool.

March 29: Kick Off of the National HOG Rally at OCHD

Waiting on the details to be released by Harley. Stay tuned.

April 20 – 22: Death Valley

The last time we did this ride, there were close to 50 bikes. We will ride the National Park on the second day and end the day at the south end of Las Vegas.

May 11 – 12: Tamarisk Camping Trip

Intro to moto camping with the option of sleeping in one of eleven cabins. If you want to experience the fun of sitting by a fire and laughing with your friends, join us for this one.

June 7 – 10: Central Coast Tour

Come join us as we head up the California coastline. Still working out the location for this one so stay tuned.

September 11 – 18: Durango Colorado

This is the one I wanted for next year. Lots of planning for this one that could include riding in up to 6 states. Highlights will include Mesa Verde National Park, Silverton, Ouray & Telluride Colorado, and of course the world famous Highway 550 \ Million Dollar Highway.

November 2 – 4: Palm Springs

We will go the long way to get somewhere that is not that far away. Fun little quick getaway where you can stay for the whole weekend, or ride home in a few hours after we ride through Joshua Tree National Park.
